UET GRAND PRIX 2013

Solvalla, SWEDEN
September 29, 2013

400 000 €

European Race - Group I - 2 140 m Autostart

For colts and fillies born in **2009**, geldings excluded, having at least one parent registered in the Studbook of a U.E.T. member country and being stationed in Europe at the time of entry. They must have minimum 1.525 € of winnings at the time of the definitive start declaration.

Sweden was entrusted by U.E.T. with the organisation of this race in **2013** with the following general instructions:

The Final will be raced in **29 September, 2013 at Solvalla, Sweden.**

The Eliminatories will be raced on **September 17 at Vincennes and September 18 at Solvalla.** The Racetracks will fix the distances and both tracks will accept the Start Declarations.

The choice of the racetrack where the horses have to qualify is made according to the country where they have spent the longest time in training between the 1st of January and the 31 of July of the year in which the Final is held. An exception from this rule will be possible in special cases if a horse participates in a Group I race either four weeks before the Eliminatories or after the Final.

Purse in euro: 400 000 €

Only the amounts collected during the entries and confirmations will be distributed to the Final

Eliminatory : each at least 30.000 € (15.000; 7.500; 4.500; 1.800; 1.200)

The following countries enter all foals born in 2008 and registered in their Stud-Book on the basis of **5 Euro** per foal: Austria, Belgium, Denmark, Finland, France, Germany, Italy, The Netherlands, Norway, Russia, Spain, Sweden, Switzerland and Germany.

For the following confirmations, the owners of the horse have to pay the amount to their national Federation, this one will send the total amounts to UET.:

15 November 2011	115 EURO
15 November 2012	260 EURO
Preliminary Start Declaration 01.08.2013	380 EURO
Definitive Start Declaration	915 EURO

Maximum 12 runners in each Eliminatory and in the Final are accepted.

If only 12 Start Declarations are received, there will be only one race.

The number of Eliminatories shall be decided according to the number of definitive Start Declarations received.

Eliminatories on each Racecourse:

12 runners	One eliminatory		
13 to 24 runners	Two eliminatories	37 to 48 runners	Four eliminatories
25 to 36 runners	Three eliminatories	49 to 60 runners	Five eliminatories, etc.

The number of places in the Final shall be distributed in proportion to the number of horses started in the eliminatory races on both Racetracks.

Should the number of horses to be qualified for the Final in the different eliminatory races not be the same in each race, both Racecourses shall first qualify the same number of horses per eliminatory race. The remaining post positions in the Final are assigned on each Racetrack to the horse coming next in the classification, having the best time. If there is a dead heat among two or more horses, the decision is taken by drawing lots.

If a horse qualified for the Final is not able to take part in it, **it can not** be replaced by an other horse.

The rules concerning the distribution of the horses in the different eliminatory races can be consulted at the U.E.T. office in Paris. If possible, each eliminatory race should contain the same number of horses.

Should a horse be disqualified in an eliminatory race as a result of a positive doping test, it will be automatically disqualified in the Final.

Post Position:

Eight (8) horses will start in the first row in each race. In the eliminatory races the post positions will be drawn by lots. Horse number one of each country starts in the first line.

In The Final the post positions shall first be drawn among the winners of the eliminatory races, then among the seconds, the thirds, etc. The drivers are authorised to choose their post position in this order.

Sweden will organise the truck transport from **Vincennes/ Solvalla** and return for horses qualified on the basis of 0.5 EURO per km and horse. Owners who organise themselves the transport of their horse will receive compensation on the same basis.

In case a horse is sold the entry stays valid if the new owner pays the following fees.
